NOAA CORPS DIRECTIVES
Part 7 - Awards

Chapter 12

12701 GENERAL

- A. NOAA Corps officers who have been awarded certain decorations or service awards may wear them on specific uniforms in the manner prescribed.
- B. Awards issued by any Department of the U.S. Government are authorized for wear. Awards issued by outside organizations or foreign governments, specifically for official performance of duty, may be approved by the Director on a case-by-case basis.
- C. Members of other uniformed services serving with NOAA are eligible for certain Department of Commerce, NOAA, and NOAA Corps awards as specified herein. Authorization to wear awards is at the discretion of the member's parent service.

12702 DEFINITIONS

- A. Award - An all-inclusive term covering all decorations, medals, badges, ribbon bars, and their accessories.
- B. Decoration - An award to an individual for a specific act of heroism or meritorious service.
- C. Service Award - An award to an individual or group signifying arduous or remote duty.

12703 PERSONAL DECORATIONS

- A. Department of Commerce Gold Medal - The highest honorary award of the Department. An individual, group, or organizational decoration for rare and distinguished contributions of major significance, or heroism involving jeopardy of life. A large medal, miniature medal, and ribbon bars are awarded to individuals or groups only. Awarding authority is the Secretary of Commerce. See Departmental Administrative Order (DAO) 202-451, Inactive Awards Program, Appendix 12.1.
- B. Department of Commerce Silver Medal - An individual, group, or organizational decoration for meritorious contributions of unusual value to the Department or unusual courage or competence in an emergency. A large medal, miniature medal, and ribbon bars are awarded to individuals or groups only. Awarding authority is the Secretary of Commerce. See DAO 202-451, Appendix 12.1.

- C. Department of Commerce Bronze Medal - The highest honorary award of NOAA: An individual, group, or organizational decoration for significant contributions to NOAA in science, technology or administration; development of methods, procedures or devices; or highly competent performance for at least five years. A large medal, miniature medal, and ribbon bars are awarded to individuals or groups only. Awarding authority is the Administrator, NOAA. See DAO 202-451, Appendix 12.1.
- D. NOAA Administrator's Award - An individual decoration recognizing significant contributions in engineering and application, program administration and management, scientific research and achievement, public service, or equal employment opportunity. A large medal, miniature medal, and ribbon bars are awarded. Awarding authority is the Administrator, NOAA. See NOAA Administrative Order (NAO) 202-451, NOAA Incentive Award Program, Appendix 12.2.
- E. NOAA Corps Commendation Medal - The highest honorary award of the NOAA Corps: An individual decoration recognizing significant heroic, meritorious, professional service, or achievement warranting greater recognition than the NOAA Corps Achievement Medal. A large medal, miniature medal, and ribbon bars are awarded. Awarding authority is the Director. See NCD Chapter 12, Part 7, Attachment 2.
- F. NOAA Corps Achievement Medal - An individual decoration recognizing a NOAA Corps officer or a member of another uniformed service detailed, assigned, or attached to NOAA for Sustained Superior Performance or for a Special Act. A large medal, miniature medal, and ribbon bars are awarded. Awarding authority is the Director. See NCD Chapter 12, Part 7, Attachment 2.

NOAA CORPS DIRECTIVES
Part 7 - Awards

Chapter 12

- G. NOAA Corps Director's Ribbon - An individual decoration recognizing a NOAA Corps officer or a member of another uniformed service detailed, assigned, or attached to NOAA for noteworthy achievements meriting recognition of lesser extent than the NOAA Corps Achievement Medal. Ribbon bars are awarded. Awarding authority is the Director. See NCD Chapter 12, Part 7, Attachment 2.

12704 UNIT AWARDS

NOAA Unit Citation - A group award recognizing employees in NOAA who, through their individual and collective efforts, have made substantive contributions to the programs or objectives for which NOAA was established. Ribbon bars are awarded. NOAA Corps officers who were attached to the unit during the period for which a citation was awarded will receive the ribbon bars by documenting such service for the Director, CPC. Awarding authority is the appropriate Assistant Administrator or NOAA Staff or Program Office Director. See NAO 202-451, Appendix 12.2.

12705 NON-GOVERNMENT DECORATIONS

- A. NOAA Association of Commissioned Officers (ACO) Awards
- (1) Junior Officer of the Year Award - An individual decoration awarded annually to a NOAA Corps officer, below the grade of lieutenant commander, to recognize outstanding contributions to NOAA, outstanding performance, and/or the positive reflection cast by the recipient upon the NOAA Corps. A large medal, miniature medal, and ribbon bars are awarded. Selection and award are made annually by the Executive Committee of the National ACO. See NCD Chapter 12, Part 7, Attachment 3.
 - (2) Science Award - An individual decoration recognizing an outstanding scientific contribution made by an officer. This award is distinguished from the Junior Officer of the Year Award by a bronze-colored "S" attached to the large medal, miniature medal, and ribbon bar. Selection and award are made by the Executive Committee of the National ACO. See NCD Chapter 12, Part 7, Attachment 3.
 - (3) Engineering Award - An individual decoration recognizing an outstanding engineering contribution made by an NOAA Corps officer. This award is distinguished from the Junior Officer of the Year Award by a bronze-colored "E" attached to the large medal, miniature medal, and ribbon bar. Selection and award are made by the Executive Committee of the National ACO. See NCD Chapter 12, Part 7, Attachment 3.

B. Society of American Military Engineers (SAME) Awards

- (1) **Colbert Medal** - An individual award recognizing a member of the National Ocean Service, officer or civilian, active or retired, for the most outstanding contribution to military engineering through achievement in design, construction, administration, research, or development. A large medal, miniature medal, and ribbon bars are awarded. A silver-colored triangle on the SAME miniature medal and SAME ribbon bar denotes the Colbert Medal. Selection is made by special committee appointed by the designated Service Chief. Award is made by SAME. See NCD Chapter 12, Part 7, Attachment 3.
- (2) **Karo Award** - A group award presented annually by SAME to a field unit of the National Ocean Service that has made an outstanding contribution in an engineering or scientific field. A plaque is awarded to the unit; ribbon bars representing the Karo Award are awarded to officers in the group upon receipt of documentation by CPC. A bronze-colored triangle on the SAME ribbon bar denotes the Karo Award. Selection is made by special committee appointed by the designated Service Chief. Award is made by the designated Service Chief. See NCD Chapter 12, Part 7, Attachment 3.

12706 CAMPAIGN AND SERVICE AWARDS

A. The following awards are available to active-duty NOAA Corps officers when the eligibility criteria used by the authorizing service or organization have been met:

- (1) **Antarctica Service Medal** - A service award recognizing the performance of significant service and the sharing of the hardships and hazards of operations in Antarctica. A large medal, miniature medal, and ribbon bars are awarded. See NCD Chapter 12, Part 7, Attachment 4.
- (2) **Coast Guard Arctic Service Medal** - A service award recognizing the performance of significant service and the sharing of the hardships and hazards of operations in the Arctic. A large medal, miniature medal, and ribbon bars are awarded. See NCD Chapter 12, Part 7, Attachment 4.
- (3) **Sea Service Deployment Ribbon – (Rescinded)**

B. The following NOAA Corps awards are authorized when the criteria have been met:

- (1) **NOAA Corps Atlantic Service Ribbon** - A service award recognizing a sea duty assignment aboard a NOAA vessel operating in the waters of the Atlantic Ocean, Gulf of Mexico, Great Lakes or adjacent waters. Ribbon bars are awarded. See NCD Chapter 12, Part 7, Attachment 4.

PERSONAL DECORATIONS

A. DEPARTMENT OF COMMERCE GOLD MEDAL (GOLD*)

- (1) Eligibility Requirements - The highest honorary award granted by the Secretary. Awarded to an individual, group, or Commerce organization for extraordinary achievements in support of the critical objectives of the Department with a significant beneficial effect on the Nation or the world. To warrant a Gold Medal, a contribution must meet at least one of the following criteria:
 - (a) Achievement of critical program goals far surpassing expectations, marked by unusual creativity, energy, or persistence, contributing significantly to the welfare of the Nation;
 - (b) Unusually outstanding leadership or management that results in dramatic improvement in productivity, program effectiveness, or quality of the Department's service to the Nation;
 - (c) Scientific or technological breakthroughs that resolve longstanding problems or radically advance the state-of-the-art;
 - (d) Highly distinguished authorship or editorship that affects the primary principles of the discipline involved, opens up new fields of inquiry, or redefines major issues of investigation; or
 - (e) Heroic action involving jeopardy of life.
- (2) Type of Recognition - Performance-based, honorary, non-monetary.
- (3) Nomination Procedure - See DAO 202-451, Appendix 12.1.
- (4) Selection Procedure - See DAO 202-451, Appendix 12.1.
- (5) Issuance and Manner of Wear
 - (a) Appropriate service record entries will be made at CPC after receipt of proper documentation.
 - (b) The Department of Commerce presents a medallion and a certificate. CPC provides a large medal, miniature medal, and ribbon bars.

* Award acronyms in this attachment are used by CPC for service record entries.

(c) Attachments to Medals and Ribbon Bars

- (1) A 5/16-inch gold-colored star worn on the large medal suspension ribbon and ribbon bar denotes each subsequent award.
- (2) A 1/8-inch gold-colored star worn on the miniature medal suspension ribbon denotes each subsequent award.

B. DEPARTMENT OF COMMERCE SILVER MEDAL (SILV*)

- (1) Eligibility Requirements - The second highest honorary award granted by the Secretary. Awarded to an individual, group, or Commerce organization for major contributions of exceptional value in support of the Department's overall goals in service to the Nation. To warrant a Silver Medal, a contribution must meet at least one of the following criteria:
 - (a) Achievement of important program goals, marked by excellence of performance and quality of results exceeding expectations;
 - (b) Superior leadership or management resulting in substantial improvements in productivity, program effectiveness, or the quality of the Department's service;
 - (c) Scientific or technological contributions that significantly advance the understanding, knowledge, or mastery of a given discipline;
 - (d) Exceptionally meritorious authorship or editorship that contributes significantly to the body of knowledge in a given field; or
 - (e) Unusual courage or competence in an emergency.
- (2) Type of Recognition - Performance-based, honorary, non-monetary.
- (3) Nomination Procedure - See DAO 202-451, Appendix 12.1.

 - (2) A 1/8-inch gold-colored star worn on the miniature medal suspension ribbon denotes each subsequent award.

E. NOAA CORPS COMMENDATION MEDAL (NCCM*)

- (1) Eligibility Requirements - The highest honorary award of the NOAA Corps. Awarded to a member of the NOAA Corps, or a member of another uniformed service detailed, assigned, or attached to NOAA, who distinguishes him/herself by heroic or meritorious acts or service.

To merit this award, service must be accomplished or performed in an exemplary manner above that normally expected and must be sufficient to distinguish the individual from those performing similar services. Acts must reflect the preservation of life or property. Acts or service must be of such merit as to warrant more tangible recognition than is possible by the NOAA Corps Achievement Medal, as follows:

- (a) Acts of heroism worthy of special recognition, but not to the degree required for the U. S. Department of Commerce (DOC) Gold or Silver Medals.
 - (b) Meritorious or outstanding achievement worthy of special recognition, but not to the degree required for the DOC Bronze Medal or the NOAA Administrator's Award Medal. The achievement should constitute a definite contribution to the Government, such as an invention or an improvement in design, procedure, or organization.
 - (c) Meritorious service worthy of special recognition, but not to the degree required for the DOC Bronze Medal or the NOAA Administrator's Award Medal. The service should be superior to that usually expected of an individual commensurate with his/her grade. The service may cover an extended period of time. Award is based on the circumstances and conditions under which the service was performed.
 - (d) Leadership that merits special recognition. Leadership must be sustained so as to demonstrate a high state of development; be of such merit as to earn singular recognition; and reflect most creditably on the efforts of the individual toward accomplishment of the unit mission.
- (2) Type of Recognition - Honorary, non-monetary.
 - (3) Nomination Procedure
 - (a) Initiated by an individual employed, assigned, or attached to NOAA or DOC.
 - (b) Transmitted via NOAA form 56-63 the nominee's supervisor, to the Director, CPC for initial screening.
 - (c) Nominations should be made within 120 days of performance of the act or end of the period of service. If nominations are not made in that time frame a letter of lateness must accompany the nomination.

- (4) Selection Procedure - Requires review and favorable recommendation by the NOAA Corps Uniform and Awards Board and approval by the Director.
- (5) Issuance and Manner of Wear
 - (a) Appropriate service record entries will be made at CPC after receipt of proper documentation.
 - (b) CPC provides a certificate, large medal, miniature medal, and ribbon bars. Medals are issued for first award only.
 - (c) Attachments to Medals and Ribbon Bars
 - (1) A 5/16-inch gold-colored star worn on the large medal suspension ribbon and ribbon bar denotes each subsequent award.
 - (2) A 1/8-inch gold-colored star worn on the miniature medal suspension ribbon denotes each subsequent award.

F. NOAA CORPS ACHIEVEMENT MEDAL (NCAM*)

- (1) Eligibility Requirements - Awarded to NOAA Corps officers, and members of other uniformed services assigned, detailed, or attached to NOAA. The award is given for professional and/or leadership achievement based on sustained performance or specific achievement of a superlative nature, and shall be of such merit as to warrant more tangible recognition than is possible by the NOAA Corps Director's Ribbon, but which does not warrant a NOAA Corps Commendation Medal or higher award.
 - (a) Performance-Based Recognition for NOAA Corps Officers (Sustained Superior Performance) - For high-level performance based on the officer's most recent Fitness Report. To qualify, the officer must have an overall performance rating of Outstanding or Excellent in at least 7 of the 10 evaluation areas and an overall rating score of 80 or more points. The recommendation must be based on at least 12 months. However, an overall rating score of 80 or more points is not an entitlement to an award.
 - (b) Superior Achievement Recognition - For a contribution resulting in tangible benefits or savings, or intangible benefits to the Government. "Contribution" means an accomplishment achieved through an individual.
- (2) Type of Recognition - honorary, non-monetary.

 - (2) A 1/8-inch gold-colored star worn on the miniature medal suspension ribbon denotes each subsequent award. A 1/8-inch silver-colored star denotes a sixth award.
- (6) The CPC Awards and Medals Custodian may be able to assist supervisors with completion of the NOAA Form 56-63 and resolve minor problems over the telephone.

G. NOAA CORPS DIRECTOR'S RIBBON (NCDR*)

- (1) Eligibility Requirements - Awarded to a NOAA Corps officer, or member of another uniformed service detailed, assigned, or attached to NOAA, in recognition of noteworthy accomplishments in the performance of duty of a lesser order than that required for the NOAA Corps Achievement Medal, as follows:
 - (a) Unusual or substantial accomplishment set apart from others in the same or similar circumstances.
 - (b) Sustained exemplary performance set apart from others in the same or similar circumstances.
- (2) Type of Recognition - Honorary, non-monetary.
- (3) Nomination Procedure
 - (a) Initiated by an individual employed, assigned or attached to NOAA or DOC.
 - (b) Transmitted via NOAA form 56-63 the nominee's supervisor, to the Director, CPC for initial screening.
 - (c) Nominations should be made within 120 days of performance of the act or end of the period of service. If nominations are not made in that time frame a letter of lateness must accompany the nomination.
- (4) Selection Procedure - Requires review and favorable recommendation by the NOAA Corps Uniform and Awards Board and approval by the Director.
- (5) Issuance and Manner of Wear
 - (a) Appropriate service record entries will be made at CPC after receipt of proper documentation.
 - (b) CPC provides a certificate and ribbon bars.
 - (c) Attachments to Ribbon Bars - A 5/16-inch gold-colored star worn on the ribbon bar denote each subsequent award. A 5/16-inch silver-colored star denotes a sixth award.

UNIT AWARDS AND NON-GOVERNMENT DECORATIONS

A. NOAA UNIT CITATION (NUCA*)

- (1) Eligibility Requirements - Awarded to a group of employees who, because of their individual and collective efforts, have made substantive contributions to NOAA's programs. Consideration for a Unit Citation is given, but not limited to those contributions which:
 - (a) are outstanding enough to bring unusual credit and/or favorable attention to NOAA and the Department of Commerce;
 - (b) result in greatly advancing or furthering NOAA programs;
 - (c) accomplish significant savings or improvements in NOAA's operating programs; and
 - (d) represent outstanding service to the public.
- (2) Type of recognition - Honorary, non-monetary.
- (3) Nomination Procedure - Submitted by the nominator on form CD-326, Recommendation for Recognition (revised 7-89) through channels to the appropriate Assistant Administrator or NOAA Staff or Program Office Director.
- (4) Selection Procedure - Approval is given by the Assistant Administrator or NOAA Staff or Program Office Director, as appropriate.
- (5) Issuance and Manner of Wear
 - (a) Appropriate service record entries will be made at CPC after receipt of proper documentation.
 - (b) NOAA presents a certificate. CPC provides ribbon bars.
 - (c) Attachments to Ribbon Bars - A 3/16-inch bronze-colored star worn on the ribbon bar denote each subsequent award. A 3/16-inch silver-colored star denotes a sixth award.
- (6) Additional Information - See NAO 202-451, Appendix 12.2.

* Award acronyms in this attachment are used by CPC for service record entries.

B. NOAA ACO - JUNIOR OFFICER OF THE YEAR AWARD (ACOF*)

- (1) Eligibility Requirements - Awarded annually to a NOAA Corps officer, below the grade of lieutenant commander, to recognize outstanding contributions to NOAA, outstanding performance, and/or the positive reflection cast by the recipient upon the NOAA Corps. NOAA Corps officers who are promoted to lieutenant commander during the calendar year for which the award is made are eligible.
- (2) Type of Recognition - Honorary, non-monetary.
- (3) Nomination Procedure
 - (a) Nominations are solicited by the National ACO in the first quarter of each calendar year for the immediately preceding calendar year.
 - (b) Any supervisor (not limited to immediate supervisor) under whom the nominee is serving, or any NOAA Corps officer senior in rank to the nominee, may nominate that NOAA Corps officer to receive the award. More than one nomination may be made by each supervisor or senior officer. Nomination should be made for a NOAA Corps officer who, by his/her actions, demonstrated outstanding qualities of personal and/or Corps development. This may include performance of assigned duties, academic achievement, scientific advancement of a NOAA mission, public service, and/or other exemplary achievements.
 - (c) The nomination shall consist of at least two pages, the first a cover memo addressed to the National ACO and containing the name, grade, duty title, and job description of the nominated officer. The following page(s) shall be the personal comments of the supervisor, which reflect the basis for the nomination. Criteria on which the supervisor may want to expound include daily job performance, officer bearing, active participation in NOAA Corps-related activities, extra-curricular activities, and any other noteworthy characteristics.
- (4) Selection Procedure - Selection shall be made by the Executive Committee of the National ACO.
- (5) Issuance and Manner of Wear
 - (a) Appropriate service record entries will be made at CPC after receipt of proper documentation.
 - (b) ACO presents a certificate, large medal, miniature medal, and ribbon bars.

C. NOAA ACO - SCIENCE AWARD (ACOS*)

- (1) Eligibility Requirements - Awarded to a NOAA Corps officer, or member of another uniformed service assigned, detailed, or attached to NOAA, who has distinguished him/herself by making outstanding scientific contribution(s) that distinguish the individual above those performing similar services.
- (2) Type of Recognition - Honorary, non-monetary.
- (3) Nomination Procedure
 - (a) Nominations are solicited by the National ACO in the first quarter of each calendar year for the immediately preceding calendar year.
 - (b) Any commissioned officer, or any supervisor under whom the officer is serving, may nominate the officer to receive the award.
 - (c) The nomination shall consist of at least two pages, the first a cover memo addressed to the National ACO and containing the name, grade, duty title, and job description of the nominated officer. The following page(s) shall be the personal comments of the supervisor, and should specify the award for which the nomination is being made, the nature of the contribution or achievement, and its significance in relation to the missions of the nominee's unit, NOAA, and/or the NOAA Corps.

CAMPAIGN, SERVICE, AND MARKSMANSHIP AWARDS

A. ANTARCTICA SERVICE MEDAL (AASM*)

- (1) Eligibility Requirements - Each person who, during the period subsequent to January 1, 1946, and a date to be ultimately established by the Secretary of Defense, meets the qualifications of any of the subparagraphs set forth below, shall be eligible to receive this medal. For the purpose of this paragraph, Antarctica is defined as the area south of latitude 60°S [Public Law 86-600, enacted July 7, 1960].
 - (a) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who, as a member of a U.S. expedition, participates in or has participated in scientific, direct support, or exploratory operations in Antarctica.
 - (b) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who participated in a foreign Antarctic expedition in Antarctica in coordination with a U.S. Antarctic expedition and who is or was under the sponsorship and approval of competent U.S. Government authority.
 - (c) Any member of the U.S. Armed Forces who participates in or has participated in flights as a member of the crew of an aircraft flying to or from the Antarctic Continent in support of operations in Antarctica.
 - (d) Any member of the Armed Forces of the United States or civilian citizen, national, or resident alien of the United States who serves or has served aboard a U. S. ship operating south of latitude 60°S in support of U. S. programs in Antarctica.
 - (e) Any person, including citizens of foreign nations, not fulfilling the qualifications under subparagraphs (a) through (d) above, but who participates in, or has participated in a U.S. Antarctic expedition in Antarctica at the invitation of a participating U.S. agency may be given the award by the Secretary of the Department under whose shore cognizance the expedition falls, provided the commander of the military support force as senior U.S. representative in Antarctica considers that this person has performed outstanding and exceptional service and shared the hardships and hazards of the expedition.

* Award acronyms in this attachment are used by CPC for service record entries.

- (f) No minimum time limits of participation are required for eligibility for this medal before June 1, 1973. After June 1, 1973, minimum time limits for the award are 30 days under competent orders to duty at sea or ashore, south of latitude 60°S. Each day of duty under competent orders at an outlying station on the Antarctic Continent will count as 2 days when determining award eligibility. Flight crews of aircraft providing logistics support from outside the Antarctic area will receive no more than 1 day's credit for flights in and out during any 24-hour period. Days need not be consecutive.

(2) Issuance and Manner of Wear

- (a) Upon completion of the eligibility requirements, the commanding officer or officer in charge shall forward to the National Science Foundation (NSF), Office of Polar Programs, appropriate documentation, in letter form, listing the names of the participant(s), their social security numbers, and inclusive dates of qualification.
- (b) Appropriate service record entries will be made at CPC after receipt of proper documentation.
- (c) NSF presents a certificate, a large medal, a ribbon bar, and some attachments to medals and ribbon bars. Miniature medals and other attachments may be purchased through many military uniform outlets.
- (d) Attachments to Medals and Ribbon Bars
 - (1) Clasps - A bronze-colored clasp, 1/8-inch by 1-1/2 inches, with the words "Wintered Over" on the suspension ribbon of the large medal, denotes the first wintering over period. A gold-colored clasp of the same dimensions denotes the second wintering over period, and a silver-colored clasp of the same dimensions denotes the third or subsequent wintering over period. The clasp is worn centered on the suspension ribbon. Not more than one clasp shall be worn. (The winter period is from mid-March to early October.)
